Subj: Direct Commission Programs

Ref: (a) Personnel Manual, COMDTINST M1000.6 (series), Art. 1-A-5

(b) Reserve Administration and Training Manual, COMDTINST M1001.26 (series),
Sec. 3-B

(c) Recruiting Manual, COMDTINST M 1100.2 (series), Chap. 5

1. PURPOSE: The purpose of this Instruction is to publish the eligibility requirements for all direct commission programs. The contents of this Instruction apply to all military personnel and to civilians applying for direct commission programs.
2. DIRECTIVES AFFECTED: COMDTINST 1001.24 (series), COMDTINST 1120.11 (series), COMDTINST 1120.12 (series), COMDTINST 1120.18 (series), COMDTINST 1120.20 (series), COMDTINST 1131.17 (series), and COMDTINST 1131.18 (series), are hereby cancelled.
3. BACKGROUND:
 - a. This Instruction is intended to provide information about each of the Coast Guard's direct commission programs and the qualification criteria for application to each.

COMDTINST 1131.23

3.
 - b. With the exception of certain Ready Reserve Direct Commission (RRDC) and Physicians Assistants (PA) applicants, all applications for these programs must be submitted to Commandant (G-PRJ-1) via a Coast Guard recruiting office and the appropriate regional recruiting command. All application procedures are contained in reference (c).
 - c. Applicants for the RRDC program who are currently serving in the Coast Guard or Coast Guard Reserve shall apply in accordance with the provisions of references (b). All other RRDC applicants shall apply via a Coast Guard recruiting office and the appropriate regional recruiting command in accordance with the procedures contained in reference (c).
 - d. The address and telephone number of the nearest Coast Guard recruiter may be obtained by dialing 1-800-424-8883.
4. REQUIREMENTS COMMON TO ALL DIRECT COMMISSION PROGRAMS:
 - a. Citizenship. Applicants must be citizens of the United States.
 - b. Physical.
 - (1) Direct Commission Aviators.
 - (a) Pass a Class I, Service Group I, flight physical examination as specified in Chapter 3 of the Medical Manual, COMDTINST M6000.1 (series). A complete military flight physical, if administered by any of the Armed Forces within 6 months of the selection board, will be considered acceptable if it contains all data required in a Coast Guard aviation physical.
 - (b) Successfully demonstrate the ability to swim 75 yards while dressed in an uninflated, normally equipped lifevest, flight suit and boots. Helicopter crew members must also wear a helmet. During the swim the DCA applicant shall demonstrate the breast stroke, elementary back stroke, and side stroke for at least 15 yards each. Helicopter crew members must successfully complete the Navy's underwater egress course which includes the 9D5 training device.
 - (2) For all other programs, applicants must meet physical requirements for a direct commission, Coast Guard Reserve, as specified in Chapter 3 of the Medical Manual, COMDTINST M6000.1 (series).

4.
 - c. Coast Guard Officers. Persons currently holding a commission in the Coast Guard or Coast Guard Reserve, are not eligible to apply for a direct commission if they are on the Active Duty Promotion List (ADPL). If a Reserve Officer on the Inactive Duty Promotion List (IDPL) meets the criteria for on of the direct commission programs, they may apply for the program provided a conditional resignation, approved by G-RSM, is included in the application. Reserve officers who meet the criteria for a direct commission may also apply for extended active duty to Commandant (G-PO) via their chain-of-command. Persons who have served or are serving in the Coast Guard Reserve, and who were not selected for integration/extension, are not eligible to apply.
 - d. Conscientious Objectors. Any person who is a conscientious objector, whether or not so classified, is not eligible. Persons whose religious beliefs conflict with their ability to perform unrestricted service on a 24-hour, 7 day per week basis are not eligible.
 - e. Military Status.
 - (1) All selectees who currently hold regular or reserve commissions and are serving on active duty must be discharged from the losing service at least two calendar days before being administered the oath for commissioning in the Coast Guard Reserve. The oath must be administered early enough to allow sufficient travel time to Reserve Training Center, Yorktown, VA, for the Direct Commission Officer (DCO) course. This is necessary to ensure that active duty entitlements and service precedence begin anew upon commissioning in the Coast Guard Reserve.
 - (2) Applicants on active duty in another service may not apply unless such application includes a statement from the losing service to the extent that the applicant has an approved release date, or has no service obligation remaining and is eligible to resign, or that any remaining service obligation would be waived to allow resignation in time for appointment to the Coast Guard. A statement that the member will be released upon appointment is not adequate for meeting this prerequisite. Clearance from the losing service, and provision of proof of such clearance, is the sole responsibility of the selectee. Selectee will not be appointed until such proof is provided.

COMDTINST 1131.23

- 4. e. (3) Applicants serving in the inactive Reserve component of another service must include a DD-368 or provide a Statement of Conditional Release from the losing service.
- (4) Applicants with 10 or more years of non-Coast Guard active duty time will not be considered for appointment.
- f. Training. Officers appointed under these programs shall attend the 4 week DCO course at the U. S. Coast Guard Reserve Training Center in Yorktown, Virginia unless otherwise stated.

5. DIRECT COMMISSION AVIATOR.

- a. Under this program prior service aviators may apply for direct commission in the Coast Guard Reserve at the grade of lieutenant (junior grade) (O-2) or ensign (O-1). The date of rank shall be the date of appointment to commissioned status in the Coast Guard Reserve.
- b. Applicants who receive commissions shall serve a minimum of 4 years on active duty.
- c. Eligibility Requirements:
 - (1) Age. Must not have reached age 32 as of the scheduled DCO course convening date. No adjustment shall be made for past military service.
 - (2) Education.
 - (a) Must have a baccalaureate degree, or
 - (b) Have attained 25th-percentile scores on all parts of the DANTES General Examinations of the College Level Examination Program, or
 - (c) Must have completed one year of study (30 semester hours or 45 quarter hours) at an accredited degree granting college or university, and
 - 1. Have satisfactorily completed one college level course in mathematics, or
 - 2. Have passed the DANTES General Mathematics Examination of the College Level Examination Program.

5. c. (3) Experience and professional qualifications.
 - (a) Have served on active duty, other than active duty for training, as a pilot in the U. S. Army, Navy, Air Force, or Marine Corps for a minimum of 2 years but not to exceed 10 years.
 - (b) For appointment to lieutenant (junior grade), must have served as a commissioned officer in pay grade O-2 or higher. For appointment to ensign, must have served as a commissioned officer in pay grade O-1 or as an Army chief warrant officer.
 - (c) Be a graduate of a U. S. military flight program.
 - (d) Have a minimum of 500 hours of military flight time as of the published application deadline date. Flight hours in training do not count toward this total.
 - (e) Have full time military or civilian pilot experience within 2 years of published application deadline date.

6. DIRECT COMMISSIONING OF STATE AND FEDERAL MARITIME ACADEMY GRADUATES.

- a. Under this program graduates of State and Federal Maritime Academies may apply for a direct commission in the Coast Guard Reserve at the rank of ensign or lieutenant (junior grade). The date of rank shall be the date of appointment to commissioned status in the Coast Guard Reserve.

 - (2) Education. Prior to commissioning an applicant must be a graduate of a State or Federal Maritime Academy. Applicants may be initiated during the applicant's final academic year if all other requirements are met.

6. c. (3) Experience and professional qualifications.
 - (a) For appointment to ensign: applicant must hold one of the following licenses prior to commissioning: Third Mate (unlimited – Oceans or Coastwise); Third Assistant Engineer (any horsepower); or higher.
 - (b) For appointment to lieutenant (junior grade): in addition to the above qualifications, applicant must have served 1 or more years, as of commissioning date, on board vessels of the United States in the capacity of a licensed officer. Credit for up to 1 year may be given for service on board vessels considered equivalent to merchant vessels or for service on other commercial marine activities engaged in energy exploration on the outer continental shelf.
7. DIRECT COMMISSIONING OF PRIOR-TRAINED MILITARY OFFICERS.
 - a. Under this program, former military officers with academic degrees in critical need areas or who have been trained in special need areas as determined by Commandant (G-PO) will be considered for direct commissioning. Applicants will be considered for direct commission in the Coast Guard Reserve at the rank of ensign or lieutenant (junior grade). The date of rank shall be the date of appointment to commissioned status in the Coast Guard Reserve.
 - b. Applicants who receive commissions shall serve a minimum of 3 years on active duty.
 - c. Eligibility Requirements:
 - (1) Age. As of the scheduled DCO course convening date applicant must be at least 21 years and have not reached 32 years. No adjustment shall be made for past military service.
 - (2) Education. Must have a high school diploma. However, individuals with a bachelor's degree or higher are preferred.
 - (3) Military Training. An applicant must have completed at least 2 but not greater than 10 years of active duty commissioned service in a U. S. Armed Service, Reserve component thereof, or National Guard. The last day of active duty service must be within 4 years of the expected commissioning date.

8. DIRECT COMMISSIONING PROGRAM FOR ENGINEERING OFFICERS.

- a. Under this program person with engineering academic degrees may apply for a direct commission in the Coast Guard Reserve at the ranks of ensign, lieutenant (junior grade), and lieutenant. The selection board will make the rank determination for each selectee based on the criteria outlined below. The date of rank shall be the date of appointment to commissioned status in the Coast Guard Reserve.
- b. Applicants who receive commissions shall serve a minimum of 3 years on active duty.
- c. Eligibility Requirements:
 - (1) Age. At convening date of DCO course: for appointment to ensign, must not have reached age 27; for appointment to lieutenant (junior grade), must not have reached age 28; and for appointment to lieutenant, must have not reached age 34. No adjustment shall be made for past military service.
 - (2) Education, experience and professional qualifications.
 - (a) Applicants holding master's degrees in civil engineering, electrical engineering, mechanical engineering, or architecture; or having bachelor's degrees and 3 years relevant work experience in those fields, will be considered for commissions up to the grade of lieutenant.
 - (b) Graduates of 4 year degree programs in civil engineering, electrical engineering, mechanical engineering, or architecture, that have 1 year of relevant work experience; and graduates of 5 year programs in the above fields will be considered for commissions up to the fields of lieutenant (junior grade).
 - (c) Graduates of 4 year programs in civil engineering, electrical engineering, or mechanical engineering, who do not have 1 year of relevant work experience will be considered for commissions as an ensign.
 - (d) Candidates holding degrees in building construction, construction management, and engineering technology will be individually considered for waivers to apply.
